WELCOME

Modern Love.

Located just a short stroll from St. Stephen's Green, by the banks of the Grand Canal, Suesey Street is one of Dublin's most elegant and intimate wedding venues set in a fantastic city centre location.

Plush velvet draping, white marble countertops, brass trimmings and exposed brick create a warm, inviting atmosphere from the second you walk through the door, so you can leave the hustle and bustle of the city firmly on its Georgian doorstep. Suesey Street is the perfect venue for the modern day couple looking to enjoy an exclusive, food-led wedding experience with unique and traditional elements added to your day.

A bride and groom are standing in front of the Suesey Street building. The groom is wearing a white tuxedo and the bride is wearing a white wedding dress and holding a bouquet of white flowers. The building's facade is made of grey stone and features the name 'SUESEY STREET' in large, gold, serif letters, with 'EATERY · BAR · TERRACE' in smaller gold letters below it. The scene is set during the day with some shadows, suggesting late afternoon or early morning.
